SUPPLEMENTAL EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Oleg F. Kaplun on 17 June 2005.

The application has been amended as follows:

In claim 31, line 7, delete "of the state".

EXAMINER'S COMMENT

2. On page 3 of the previous Examiner's Amendment, the Examiner incorrectly included the following amendment:

In claim 30, line 7, delete "and one of".

This amendment is not needed in view of the preceding amendment of claim 30.

Therefore, please ignore the amendment deleting "and one of".

3. On page 3 of the previous Examiner's Amendment, the Examiner incorrectly deleted ", the processing arrangement adjusting the applied pressure as a function" and did not further delete "of the state". The Supplemental Examiner's Amendment above is entered to correct this error.
